

Certificate of Presentation

Zhaoqiang Chu
Harbin Engineering University, China
E-mail: zhaoqiangchu@hrbeu.edu.cn

We certify that the invited paper as below has been presented at ENGE 2020 (The 6th International Conference on Electronic Materials and Nanotechnology for Green Environment) which is held in Jeju, Korea during November 1-4, 2020 by The Korean Institute of Metals and Materials.

Abstract Title

Energy Harvesting from Vibration, Magnetic, and Dual Stimuli Field

Author(s)	Date & Time	Place
Zhaoqiang Chu(Presenter), Xiaoting Yuan, Zehuan Wang, Xiangyu Gao, Jingen Wu, Shuxiang Dong	Tuesday, November 3, 14:00-14:30	Halla

Euijoon Yoon
Chairman of ENGE 2020
Seoul National University

The Korean Institute of Metals and Materials
